Unit 1: School
Lesson 2: Math
Are you Ready?
Let's Go!

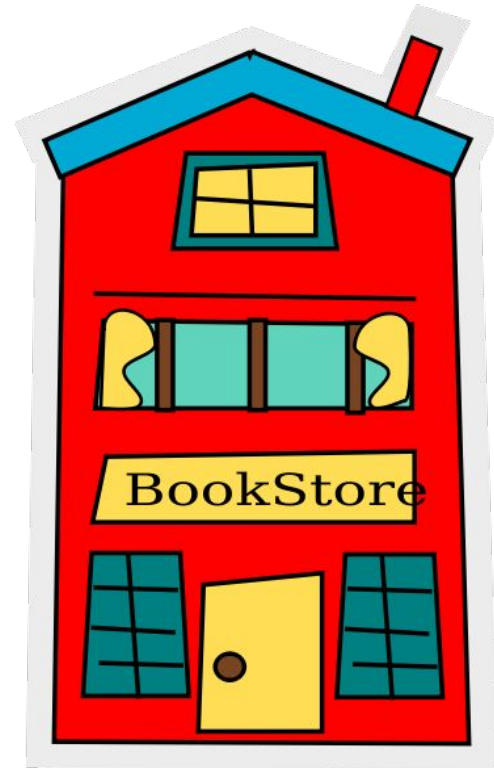

Warm-Up

What kinds of stories do you like to read?

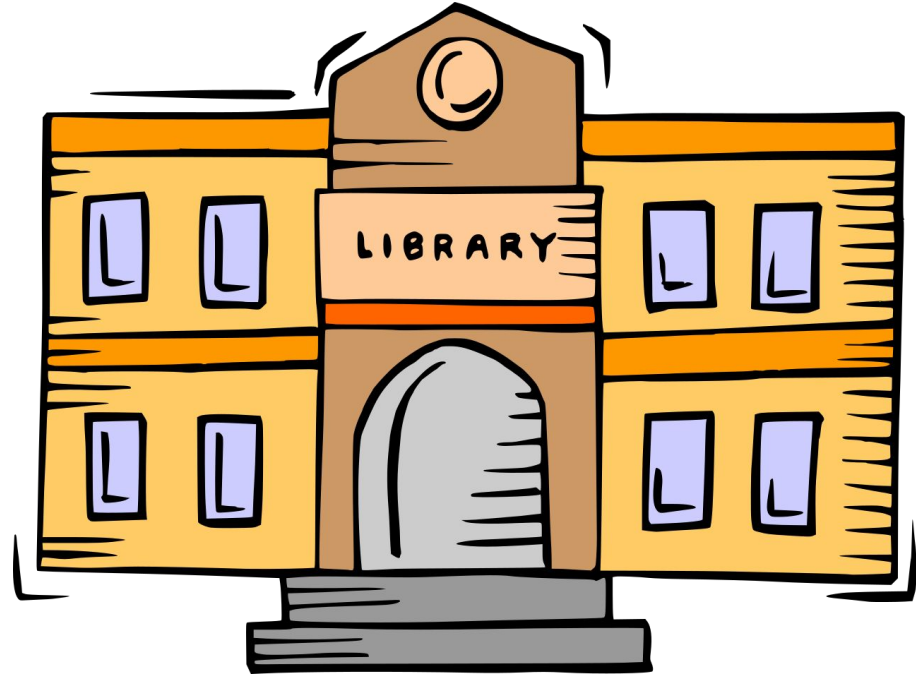

Reading

Yesterday, I went to the comic book store. I don't like comics, but my brother does. He picked out his favorite comics and bought them to take home.

Reading

After, we went to the library. I like the library because there are so many books. There are comic books for my brother, but I like non-fiction books. I found a cool book about robots and borrowed it from the library.

Reading

1. Where did my brother buy his comic books?
2. Can we buy books from the library?
3. What kind of books do I like?

Vocabulary

scale

According to the **scale**, bricks are heavier than feathers.

measuring tape

I used a **measuring tape** to see how long the table was.

Vocabulary

weight

I can check my weight on
a digital scale.

Present Progressive

Present progressive talks about an action that we started in the past, but did not finish. For example, “I **am watching** a movie.” or “I **am feeding** the dog.”

“To be”	“-ing”
am	go <u>ing</u>
are	make <u>ing</u>
is	help <u>ing</u>

Find the present progressive.

Today it is raining, so I can't play outside. I will stay inside and read my book instead. I am reading a very good book right now. It is about a boy who discovers that he is a wizard. Right now, I am at the part where he is learning to fly on his broom. I can't wait to see what happens next!
